

Sound Feels

DES 157 Final Project Presentation

Cameron Turner & Tara Parker-Essig

Hello!

We are two stressed out college students glad to be presenting our last final project of the quarter.

We hope you **enjoy** our presentation and our interactive website !

1

Project Brief

Defining the project

Project Brief

Sound for Healing

Research suggests art therapy is an effective tool against mental illness

Goals

Make a site that works
Include educational materials
Include fun & distracting games

Target Audience

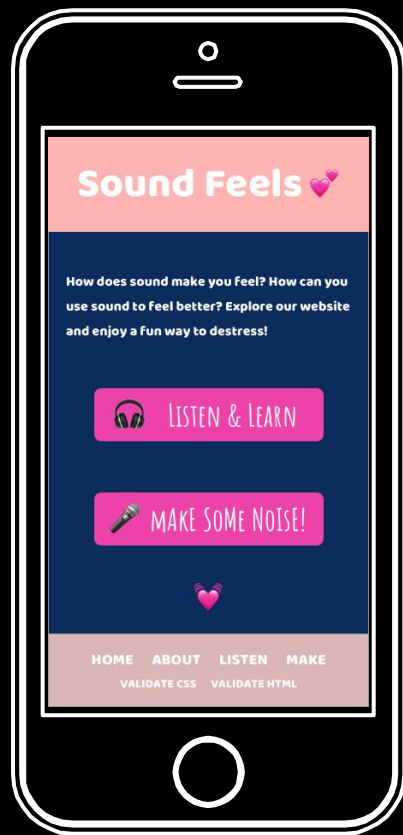

College students like ourselves, as we can easily empathize with this group

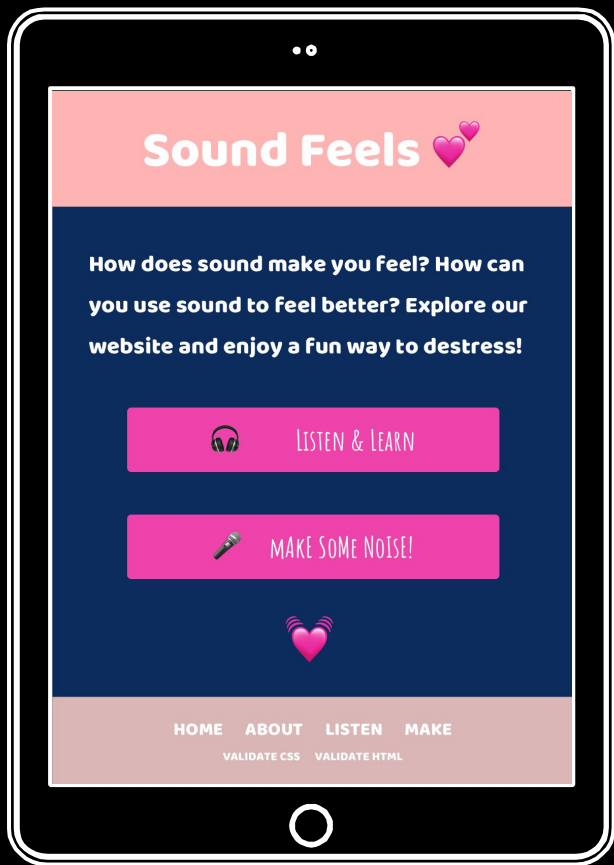

2

Comps

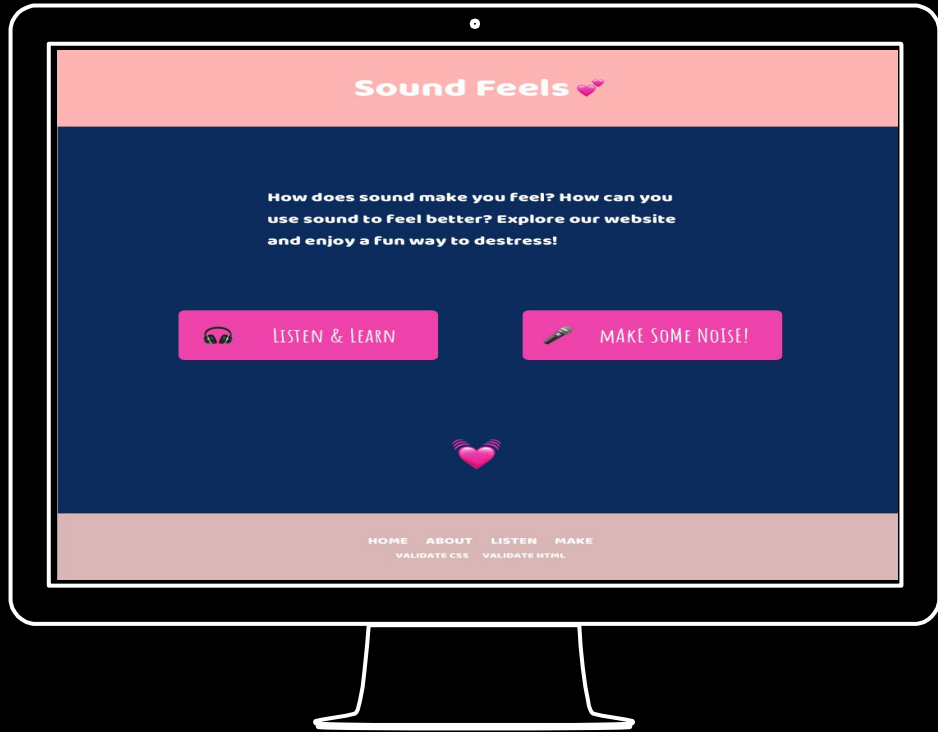

What will it look
like?

Design for Mobile First

Tablet
Version

Desktop
version

3

Siteflow

How a User navigates

Sound Feels

Sounds feels is a cute lil project to help you both understand sound and destress in a fun way. Enjoy!

4

Audience

```
console.log('Hello World');
```

Out of all the
people in the
world who is our
website for?

Audience Research

CONNIE DAVIS

Demographic Information -

Age: 22

Gender: Female

Occupation: College Student at UC Davis & barista at Temple Coffee

Major: Biology

Salary: \$8,976

Location: Davis California

Characteristics -

- Likes to play video-games to destress
- In band plays the flute
- Likes to listen to music during spare time

Goals & Challenges -

- Find new ways to de-stress
- Be a life-long learner
- Find new ways to de-stress

How we can Help -

- Provide a stress free environment with fun activities for users to ultimately use to de-stress
- Provide educational information, such as "Fun Facts"

Perfect Match

Our “Perfect Match” is a tech-savvy youth with mild anxiety who could benefit from a bit of intentional distraction and exploration in their day

Important takeaways:

- ⦿ Envelope of sound
- ⦿ Include Terminology
- ⦿ Experimental Suggestions

5

Final Prototype

“Get the Feels”

Sound Feels💕💕

**How does sound make you feel? How
can you use sound to feel better?
Explore our website and enjoy a fun
way to destress!**

 LISTEN & LEARN

 MAKE SOME NOISE!

Enter our website
